### ELITE COMBINED EVENT RESULTS

#### MEN: RACE & RESULTS

For the men's event, five elimination rounds were run. After the each round the group was reduced down to the top 24 athletes, then 18, then 12, and finally, the top six athletes. The results represent the combined points for the 10-Mile and the Elimination events for the athletes that made the final two elimination rounds. All tie breakers were given to the athlete with the fastest 10-Mile time.
